
Lunch At St. Helena Island Light Station

Sunday July 8, Sunday July 15, Sunday July 22 and Sunday July 29 - 2018

Come and experience a day at one of the Great Lakes only true living lighthouses, and experience a keepers life as it would have been at the turn of the twentieth century.

As a result of numerous requests, we are happy to be increasing the number of our "Lunch At St. Helena" day trips in 2016.

At 9:00 AM, you will depart from Mackinaw City on the restored Maine lobster boat UGLY ANNE, to be transported along with your fellow guests and volunteers beneath the Mighty Mackinac Bridge and westbound through the Straits of Mackinac to the remote and pristine beauty of St. Helena Island.

Because of our wonderful new dock, you will be able to step right on and off UGLY ANNE, eliminating the need to transfer to the island using one of our Zodiacs.

After welcoming you to the island with a plate of tasty "St. Helena Welcome Mints," our volunteer keepers will introduce you to the history of the island and the buildings which make up the light station.

After lunch in the lighthouse or "al fresco" on the picnic benches by the tower, you will have the afternoon to explore and photograph the station and experience some of the island's pristine natural beauty, throw a few horseshoes, take a short hike to the old village site or sew a quilt patch on the treadle sewing machine. At 2:30 p.m.,

You will re-board UGLY ANNE for the return trip to Mackinaw City, arriving at the dock at around 3:15 p.m.

The price for this opportunity to experience "The Miracle in the Straits of Mackinac" will be \$70.00 per person for members, and includes the cost of transportation and your lunch on the island.

****2018 Special!** All NEW members will receive a FREE 1-year membership with their purchase of a ticket to one of our St. Helena lunches.

To make your reservations or for the answers to any questions, please call the GLLKA office at 231-436-5580 or email us at info@gllka.com.
